This 3D architectural rendering illustrates a multi-unit residential floor plan, likely for a modern apartment building. The layout is organized around a central corridor system, providing access to eleven distinct apartment units, each labeled with a unit number (U.101 through U.111) and its corresponding dimensions.

The units are arranged in a staggered fashion, maximizing the use of space. Each unit is fully furnished, showcasing a contemporary design aesthetic. Key features include:

- Living Areas:** Equipped with sofas, armchairs, and coffee tables. Dimensions range from 2.80 x 3.35 to 3.40 x 4.00.
- Dining Areas:** Feature round or rectangular tables with chairs. Dimensions range from 2.40 x 3.40 to 3.40 x 4.00.
- Kitchens:** Include dark cabinetry, countertops, and built-in appliances. Dimensions range from 2.40 x 3.40 to 3.40 x 4.00.
- Bedrooms:** Furnished with beds, wardrobes, and bedside tables. Dimensions range from 2.40 x 3.40 to 3.40 x 4.00.
- Bathrooms:** Compact and functional, featuring toilets, sinks, and showers. Dimensions range from 2.40 x 3.40 to 3.40 x 4.00.
- Storage:** Ample closet and wardrobe space is provided for each unit.

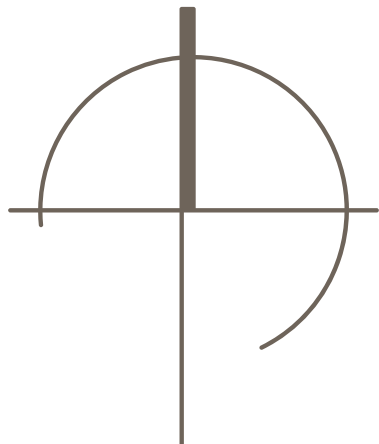

The rendering uses a color-coded system to distinguish between different areas: light wood flooring for living and dining spaces, dark wood for bedrooms and bathrooms, and light gray for kitchen areas. The overall design emphasizes a clean, modern, and comfortable living environment.
